

GREYWACKE

TASTINGS - BY APPOINTMENT ONLY

We have a very small production focused team based at Greywacke HQ and we do not have a 'cellar door' facility as such. We do however welcome visitors from near and far and we conduct tastings by prior appointment on weekdays at either 11.00 am or 2.00 pm. There is no charge for tastings.

HOLIDAY HOURS - 2024/25

Most of our team will be on a well-earned break from Monday December 23rd until Monday January 6th. There will be a skeleton crew in the office most of the business days during the break, but our tasting room will be closed.
